## NOTICE OF NON-RESPONSIVE AMENDMENT

### *Response to Amendment*

The reply filed on 05 June 2006 is not fully responsive to the prior Office Action because the reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references. See 37 CFR 1.111. In particular, applicant's response does not particularly address or present the required arguments for newly added claims 40-44. In amending the response, applicants are also requested to point out where support is found for both the amended and newly presented independent claims in light of the lengthy specification. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Scott Beliveau whose telephone number is 571-272-7343. The examiner can normally be reached on Monday-Friday from 8:30 a.m. - 6:00 p.m..
